NOTICE OF FUNDING AVAILABILITY (NOFA)
September 26, 2014

1. **INTRODUCTION**

This NOFA announces the availability of funding from the City of St. Louis Community Development Administration (CDA) to facilitate the new construction or rehabilitation of either market-rate or low-income, residential or mixed-use development projects. This NOFA only applies to developments located within the City of St. Louis.

The City of St. Louis receives an annual allocation of Community Development Block Grant funds (CDBG) and HOME Investment Partnership funds (HOME) and was previously awarded Neighborhood Stabilization Program funds (NSP) from the U.S. Department of Housing and Urban Development (HUD). CDA administers these programs for the City in an effort to expand the supply of quality and affordable housing and to stabilize City neighborhoods through the remediation of blighted areas. Funds may be utilized to assist with development gap subsidy (difference between appraised value and development costs), bridge loan financing, and homebuyer assistance to insure affordability.

This NOFA consists of this document and one exhibit that will all be available online via this [link](#). “Exhibit A” Detailed CDA Project Site Information Spreadsheet is included as reference material.

2. **FUNDING AVAILABLE**

The CDA Fall 2014 NOFA hereby solicits residential development applications to be financed from the following sources:

- \$4,000,000 Community Development Block Grant (CDBG)

CDA intends to award up to \$4,000,000 in development assistance this funding round.

3. **PRIORITY AREAS**

NSP was a limited-time funding program designed to help governments and their agencies address the recent foreclosure crisis by targeting redevelopment assistance in those areas most heavily impacted by foreclosures. As part of the implementation of its NSP effort, the City of St. Louis Planning & Design Agency (PDA) aided CDA in identifying those City neighborhoods with the highest foreclosure rates. Using this data, all City neighborhoods were ranked into three tiers. Only properties in those two tiers with the highest cases of residential foreclosures were eligible for NSP assistance. Targeted properties were acquired by the City's Land Reutilization Authority (LRA) with CDA funding, and CDA is actively soliciting redevelopment proposals for these properties. Assistance in the form of pre-paid acquisition cost is available. Requests for additional gap assistance may also be considered.

Additionally, and with support from HUD, the City received from both The Reinvestment Fund and The Cloudburst Group a statistical [Market Value Analysis \(MVA\)](#) for residential properties that details housing market characteristics for all of its Census block groups. From this data, nine market types have been identified according to clustering similar characteristics designed to clarify the boundaries of areas and to identify potential strategies for each. The MVA is a tool to help City agencies such as CDA identify potential strategies and direct the investment of public funds so that investment may be strategically leveraged for the benefit of its citizens. An interactive MVA map and database is available online: <http://dynamic.stlouis-mo.gov/mva>

This NOFA prioritizes for funding approval those applications involving the residential development of:

- 1) CDA-assisted, LRA-owned residential properties in MVA markets "D," "E," "F," and "G" as specifically identified in this NOFA
 - a. Priority will be given to applications for NSP-assisted properties as specifically identified in this NOFA and other residential development sites with time-sensitive deadlines as identified by HUD
- 2) CDA-assisted, LRA-owned residential properties in MVA markets "A," "B," "C," "H," and "I" as specifically identified in this NOFA
 - a. Priority will be given to applications for NSP-assisted properties as specifically identified in this NOFA and other residential development sites with time-sensitive deadlines as identified by HUD
 - b. Applications for affordable housing developments in MVA markets "A" and "B" will be given priority over market-rate housing applications in MVA markets "A" and "B"
- 3) LRA-owned residential properties in MVA markets "D," "E," "F," and "G" that are not otherwise identified in this NOFA
- 4) LRA-owned residential properties in MVA markets "A," "B," "C," "H," and "I" that are not otherwise identified in this NOFA
- 5) Privately-acquired residential properties in MVA markets "D," "E," "F," and "G"
- 6) Privately-acquired residential properties in MVA markets "A," "B," "C," "H," and "I"

6. **ELIGIBLE APPLICANTS**

Applications for both for-sale and rental housing will be considered. Private builders, developers, nonprofit community groups, Community-Based Development Organizations (CBDO), and Community Housing Development Organizations (CHDO) are eligible to apply for CDA financing. Applicants must demonstrate that they have appropriate housing development experience and sufficient financial capacity for the proposed project. Those parties that have defaulted on a previous CDA loan or have failed to return to CDA the payment of historic tax credit sale proceeds are not qualified to apply for or be a party to an application under this NOFA.

7. **APPLICATION PROCESS AND REQUIRED MATERIALS**

Respondents must submit one (1) complete application (either CDA For Sale Application or CDA Rental Application, as appropriate) with original signatures and provided in a three-ring binder and one (1) electronic version of the Excel-based CDA Application & Proforma emailed to CDAnofa@stlouis-mo.gov. Three (3) duplicate copies of the complete application must also be provided. These sets may be submitted either in their own, individual three-ring binders or separated by binder clip. Applications received by US Mail or courier will be accepted but must be received by CDA prior to the deadline of 4:00_{PM} on Friday, November 7, 2014.

Required application contents:

- 1) Fully complete CDA Housing Production Application & Proforma
- 2) Additional Forms & Attachments
 - Description of Development Team Experience
 - Development Partnership Agreement, if applicable
 - Articles of Incorporation, if applicable
 - Nonprofit By-Laws, if applicable
 - Proof of Nonprofit Status, if applicable
 - Roster of Board Members, if applicable
 - [CHDO Certification Letter](#), if applicable
 - City of St. Louis Business License
 - State of Missouri Certificate of Corporate Good Standing (dated no more than 6 months old)
 - CDA Conflict of Interest Disclosure Statement (attached)
 - Preliminary Schematic Plans (proposed site plan, elevations, and floorplans)
 - Comparative Market Analysis (CMA) or Appraisal (a professional market analysis is required for projects consisting of 12 or more units)
 - Letter of Interest from Construction Lender or Proof of Funds
 - Evidence of Site Control, if applicable (deed/title, contract, or option – if not City-owned)

For convenience, a Checklist of Required Items has been included with this NOFA. Each attachment should be provided in the order of this checklist, and each item should be clearly labeled. Additional information is available in the CDA Housing Production Guidelines (For Sale or Rental, as appropriate), a copy of which can be requested from CDA housing analyst or obtained online via this [link](#).

8. **PROPERTY ACCESS**

The shut-off for all utilities has been performed for those properties identified in the RFP section of this NOFA. Interested parties will have an opportunity to inspect these properties throughout the NOFA period until 5:00^{PM} Friday, October 31, 2014. Access can be arranged through the [Land Reutilization Authority \(LRA\)](#) by contacting (314) 657-3754. Anyone planning to enter and conduct a walkthrough on the premises will be required to sign an LRA waiver prior to inspection. In limited cases, a Request to Open Boarded-Up LRA Property may be available.

9. **APPLICATION EVALUATION & RATING PROCESS**

The availability of CDA funding is extremely limited. These constraints mean that CDA may not be able to fund every qualified applicant or project. All applications received will be initially evaluated for eligibility and completeness.

The benefits and financial impacts of submitted proposals will then be carefully reviewed by a selection committee consisting of management-level staff with residential development financing experience. Both project selection and the level of CDA financial participation will depend upon this committee's recommendations.

Additional consideration will be given to applications that meet one or more of the following criteria:

- Development efforts that involve multiple City-owned properties that are either contiguous or in concentrated areas
- Projects developed in coordination with other targeted neighborhood investments
- Materials and construction standards that exceed Energy Star standards
- Ownership and property management of rental projects that will be undertaken by a local individual, partnership, or corporation
- Developments that create mixed-income housing environments
- Project sites that are located near public transportation
- Proposals that demonstrate strong community support
- Properties included in the RFP section of this NOFA that have time-sensitive deadlines as determined by HUD

Bonus points will be awarded to an application's Proposal Rating Sheet for project features that implement items identified in the [Mayor's 2013-2018 Sustainability Plan Action Agenda](#):

- Urban Character, Vitality & Ecology
- Arts, Culture & Innovation
- Empowerment, Diversity & Equity
- Health, Well-Being & Safety
- Infrastructure, Facilities & Transportation
- Education, Training & Leadership
- Prosperity, Opportunity & Employment

**NOTE: NO APPLICATIONS WILL BE ACCEPTED
AFTER 4:00PM (CST) ON FRIDAY, NOVEMBER 7, 2014.**

Applications must be complete. Incomplete proposals will not be reviewed.

10. **ADDITIONAL REGULATIONS AND GUIDELINES**

All developments to be funded with CDBG, HOME and/or NSP funds must at the time of completion, at a minimum, comply with all local building codes, rehabilitation standards, ordinances, zoning and federal regulations regarding hazardous materials. Energy Star certification is also required for all projects as certified by a [RESNET energy auditor](#).

Our goal is to provide efficient, affordable housing that respects neighborhood context and provides enhancement of property values and quality of life. To that end, development proposals are reviewed by CDA architectural staff for compliance with CDA standards. CDA publishes [Residential Development Design Guidelines](#), which outline the minimal design guidelines for CDA-funded projects.

In accordance with HUD regulations, the environmental effects of each activity carried out with federal funds must be assessed. The City of St. Louis is responsible for conducting an environmental review of projects selected for funding. Compliance with environmental review requirements is mandatory prior to the applicant entering into any choice-limiting agreements or taking any physical action on a site. The selected applicant(s) shall be responsible for providing information and relevant documents necessary to accomplish the environmental review. For some projects the City will require a Phase I environmental assessment conducted in accordance with standards developed by the [American Society for Testing and Materials](#), and if applicable, a follow-up Phase II assessment.

Section 106 of the National Historic Preservation Act of 1966 (revised) requires that all federally-funded agencies consider the effect of the proposed project on existing historic resources. Any rehabilitation or new construction project subsidized by CDA must be reviewed under the Section 106 procedures established by the Federal Advisory Council on Historic Preservation. The City's Cultural Resources Office (CRO) publishes [Section 106 Review Standards](#).

Preliminary reviews by all utilities are strongly encouraged due to potential design and cost impacts. Metropolitan St. Louis Sewer District (MSD) permits are required on all projects; application for review and approval is made directly to MSD. Sanitary and storm sewer requirements are highly affected by site location and conditions and can substantially impact project costs.

Any project involving the rehabilitation of a property built before 1978 must comply with the Residential Lead-Based Hazard Reduction Act of 1992 and the EPA's [Lead Renovation, Repair, and Painting Program](#). Residential developments funded with CDBG, HOME and/or NSP funds must result in certified lead-safe housing. A project-specific lead remediation plan and scope of work must be provided for hazards identified as a result of the Initial Risk Assessment.

All projects must be tested to confirm levels of radon infiltration, and radon mitigation systems are required if test results exceed EPA allowable exposure levels.

CDBG, HOME, and NSP funding dictates that projects meet the accessibility requirements of the Fair Housing Act of 1968 and Section 504 of the Rehabilitation Act of 1973. Projects consisting of five (5) or more units must have a minimum of 5% of the total units (or at least one unit) accessible to the physically handicapped and an additional 2% of total units equipped for those with hearing or visual impairments.

Per the [Mayor's Executive Order #28](#), the City of St. Louis requires maximum utilization of minority- and women-owned businesses in all CDA-assisted housing projects with a goal of at least 25% City of St. Louis certified minority business enterprise (MBE) participation and 5% City of St. Louis certified women's business enterprise (WBE) participation. This is taken as a percentage of the project's total development cost, excluding acquisition. All recipients of CDA funds will be required to keep records of participation by certified MBEs & WBEs. Additional information can be obtained by contacting the [Disadvantaged Business Enterprise \(DBE\) Office](#).

If a project receives CDA funding of \$100,000 or more, the general contractor is subject to the requirements of HUD's "Section 3" which seeks to ensure employment and other economic opportunities are directed to low- and very low-income persons.

Developments of eight (8) units or more financed with CDBG and/or NSP funds and developments of twelve (12) units or more financed with HOME funds are required to pay at rates not less than the prevailing wages as determined by the Secretary of Labor in accordance with the provisions of the Davis-Bacon and related Acts.

All developments of five (5) units or more financed with CDBG, HOME, and/or NSP funds are required to submit an Affirmative Fair Housing Marketing Plan that outlines methods for providing information and otherwise attracting eligible persons in the housing market area to the available housing without regard to race, color, national origin, sex, sexual orientation, religion, familial status or disability. The Affirmative Marketing Plan must include methods to be used by owners to inform and solicit applications from persons not likely to apply for the housing unit without special outreach (such as use of community organizations, places of worship, employment centers, fair housing groups, or housing counseling agencies).

All rental developments financed with CDA funds must provide management and maintenance services to the housing provided. The developer will be required to

submit a Management Plan and Agreement for review and approval prior to the issuance of a Firm Commitment.

Community Housing Development Organizations (CHDOs) must be recertified with CDA prior to submitting an application for funding as a CHDO. A CHDO certification checklist is available online via this [link](#).

An applicant may not receive CDA funds if any affiliated entity, board member, or member of the development team (including consultants) has been debarred and listed on System for Award Management (SAM), available via this [link](#).

Proposals for funding will be considered based on the threshold requirements and preferences/priorities criteria set forth in this NOFA. Projects not selected for funding will be notified within forty-five (45) days of application. Applicants may apply again for the next available NOFA Funding opportunity.

The Community Development Administration (CDA) reserves the right to limit funding to no more than one (1) CDA-funded development project per applicant.

By submitting a proposal, applicants acknowledge and agree to the terms and conditions of this NOFA and to the accuracy of the information offered. All submittal packages become the property of CDA and will not be returned.

Applicants assume all risk of any predevelopment funds expended before CDA funding is formally approved. Upon submitting an application, respondent acknowledges that he/she assumes all risks of change in HUD rules and regulations and/or CDA policies concerning its housing production financing program, together with any adverse effects upon therefrom and any resulting costs thereof.

11. **AWARDS**

CDA will consider funding awards only to those applicants determined to be qualified by the selection committee following its eligibility and completeness review of each proposal received. CDA reserves the right to award less than the intended amount for this funding round if a sufficient number of qualified applicants cannot be identified.

CDA will announce its selections and funding awards on Wednesday, December 3, 2014. All respondents will receive written notification of their status and ranking, as applicable. Additionally, CDA will publish a list of all funding awards and recipients on its [website](#) on December 3, 2014.

Note that any deviations to a proposal (including – but not limited to – changes to development team members, substantial design alterations not directly resulting from CDA or CRO reviews, or significant budget increases that result in higher

gap amounts) subsequent to an award under this NOFA may jeopardize that application's funding.

12. **CONTACT INFORMATION**

In an effort to provide fair and impartial service, CDA Housing Analysts will not be available to field general inquiries or to offer specific direction during the NOFA period. A CDA Financing Workshop will be offered to provide basic instruction and general assistance with application materials for interested parties. Participation in this workshop is not required for application consideration but is highly recommended. General queries may be submitted to CDA, and all questions and answers will be publicly available online via the [CDA webpages](#).

General Notes:

- (1) City blocks are rectangular divisions of city land typically separated by alleys. A "block" does NOT refer to a double-sided block face.
- (2) The count of total NSP / CDBG projects on each city block includes the property itself.
- (3) All NSP/CDBG project sites are technically under Land Reutilization (LRA) ownership. Counts of LRA vacant buildings and lots by city block INCLUDE the NSP/CDBG property itself.

Private Vacant Lot Notes
Vacant lots were filtered to exclude any parcels with completed building permits after 1/1/2005. This filter would account for any subsequent construction on the lot following the designation of the lot as an Assessor Code 1010 (Vacant Residential Lot).
Private vacant lots are as defined by the Assessor of the City of St. Louis. Private vacant parcels that have minor improvements, such as fencing and paving, may be included. Identified by an Assessor Use of '1010' (residential use only).
"Private" ownership <u>excludes</u> : (1) Government entities, which comprise the following Assessor parcel classes: City of St. Louis, State of Missouri, Federal Government, utilities (as Assessed), rail roads (as Assessed) and other non-taxable government entities; and (2) Land Reutilization Authority (LRA); Land Clearance for Redevelopment Authority (LCRA); and Planned Industrial Expansion Authority (PIEA).
Private Vacant Building Notes
Vacant Building refers to those structures identified as vacant by the City of St. Louis Building Division Inspectors during the annual Vacant Buildings Survey (VBS). The survey covers only "visibly vacant" buildings—i.e., those that are vacant and vandalized. The latest survey was conducted in March 2014. Buildings with completed demolition permits after November 1, 2013 have been removed from the 2014 VBS list and are not included in the totals.
"Private" ownership <u>excludes</u> : (1) Government entities, which comprise the following Assessor parcel classes: City of St. Louis, State of Missouri, Federal Government, utilities (as Assessed), rail roads (as Assessed) and other non-taxable government entities; and (2) LRA, LCRA, PIEA.
Land Reutilization Authority (LRA) Vacant Lot and Building Notes
Land Reutilization Authority (LRA) data on both vacant lots and vacant residential/mixed use buildings obtained from the LRA database. Any overlapping properties between the private vacancy list and the LRA database were credited to LRA and removed from the private list due to the fact that the LRA database is updated on a daily basis.
Vacancy data compiled by Planning and Urban Design Agency, Research Division, August 2014
